

Our  
**BROCHURE**  
Corporate

**«We are your company in  
North and South America»**

# Our history

Since its beginnings, DirectBusinessLa was born with a clear objective: to be the efficient bridge that connects ambitious companies of the region with markets increasingly more global. We make it possible through a strategic combination of services adapted to the challenges of modern business.

- **Commercial negotiation** • **Strategic marketing**
- **Market studies** • **Export support**
- **Business representation**

## **Mission**

Connect our clients with new opportunities, providing innovative strategies and personalized support that guarantees sustainable results.

## **Vision**

To be recognized as the leading strategic partner, capable of transforming local businesses into global players. We aspire to consolidate ourselves as trusted allies that open negotiation paths.

## **Values**

We are guided by the solid commitment of accompanying our clients in each stage of their growth, always acting with transparency, responsibility, honesty and professional ethics.

# Commercial negotiation

We facilitate fair and fruitful relationships between clients and suppliers, ensuring agreements that boost the growth of your company.

# Strategic marketing

We create innovative campaigns adapted to each target audience, boosting your brand with strength and visibility.

## Market studies

We collect and analyze key data so that you make informed decisions and anticipate the trends of the sector of your company.

# Export support

We guide you in each step of the process to take your products beyond the borders, expanding your global reach.

# Business representation

We act as your .strategic ally in external markets, representing your interests with professionalism.

# Why choose us?

Our focus is on adapting to your needs, anticipating the market and connecting your capabilities with real opportunities.

- 1 Multifaceted experience:** we cover all the stages of the commercial process, from market analysis to the final execution.
- 2 Personalized approach:** we do not believe in generic solutions; each strategy is designed according to your goals and context.
- 3 Real boost to growth:** we accompany your company in each step towards new markets and audiences.
